

Notes on Forcing on Topoi

written by SalutaFungo on Functor Network

original link: <https://functor.network/user/1939/entry/768>

This is the notes of a student-organized logic seminar at Fudan University, where I will talk about forcing on topoi. The seminar will probably be in Chinese.

In construction... link <https://www.overleaf.com/read/cfxygyntdqss#8dd3c0>

(I'm new to the site, hopefully I can edit the post -w-)
