

Notes on Forcing on Topoi

SalutaFungo · 28 Dec 2024

This is the notes of a student-organized logic seminar at Fudan University, where I will talk about forcing on topoi. The seminar will probably be in Chinese.

In construction... link <https://www.overleaf.com/read/cfxygyntdqss#8dd3c0>

(I'm new to the site, hopefully I can edit the post -w-)
